Issued by the Department of Transportation  
on the 28th day of January, 1991

Docket: 47347, R-1 through R-17 1/

**Description:** The agreement in the above docket increases and specifies selected fares within Africa; extends and amends associated fare conditions; generally sets children's fares at 67% of the applicable adult fare; and makes a technical correction to a maximum stay provision.

We do not find that the resolution incorporated in the above docket is adverse to the public interest or in violation of the Act, provided that approval is subject, where applicable, to conditions previously imposed.

Accordingly, we approve and grant antitrust immunity to the agreement, subject, where applicable, to conditions previously imposed.

This order shall be effective and become the action of the Department of Transportation upon the expiration of ten days, unless within such period a petition for review is filed pursuant to 14 CFR 385.50 or the Department gives notice that it will review this order on its own motion. Such actions are subject to judicial review under 49 USC 1486.

Given the noncontroversial nature of this agreement and the availability of the above procedure, we are waiving the 21-day period prescribed in 14 CFR 303.42.
