SERVED JAN 8 1992

Action on IATA Agreement
Issued by the Department of Transportation
on the 2nd day of January, 1992

Docket: 47914, R-1 through R-4 1/

Description: The agreement increases normal (first, intermediate [business] and economy class) and group inclusive tour fares from China to Japan by three to five percent in order to offset cost increases and reflect market conditions.

We do not find that the resolutions incorporated in the above docket are adverse to the public interest or in violation of the Act, provided that approval is subject, where applicable, to conditions previously imposed.

Accordingly, we approve and grant antitrust immunity to the agreement, subject, where applicable, to conditions previously imposed.

This order shall be effective and become the action of the Department of Transportation upon the expiration of ten days, unless within such period a petition for review is filed pursuant to 14 CFR 385.50 or the Department gives notice that it will review this order on its own motion. Such actions are subject to judicial review under 49 USC app. 1486.

Given the noncontroversial nature of this agreement and the availability of the above procedure, we are waiving the 21-day period prescribed by 14 CFR 303.42.
