DEPARTMENT OF TRANSPORTATION
OFFICE OF THE SECRETARY
WASHINGTON, D.C.

SERVED FEB 5 1993

Action on IATA Agreements
Issued by the Department of Transportation
on the 29th day of January, 1993

Dockets: 48604 and 48607 1/

Description: The agreement in Docket 48604 introduces fares between Reykjavik and Amman similar to those applicable between Reykjavik and Cairo. The agreement in Docket 48607 revises the rules governing family fare travel between Europe and the Middle East.

We do not find that the resolutions incorporated in the above dockets are adverse to the public interest or in violation of the Act, provided that approval is subject, where applicable, to conditions previously imposed.

Accordingly, we approve and grant antitrust immunity to the agreements, subject, where applicable, to conditions previously imposed. 2/

This order shall be effective and become the action of the Department of Transportation upon the expiration of ten days, unless within such period a petition for review is filed pursuant to 14 CFR 385.50 or the Department gives notice that it will review this order on its own motion. Such actions are subject to judicial review under 49 USC app. 1486.

Given the noncontroversial nature of these agreements and the availability of the above procedure, we are waiving the 21-day period prescribed by 14 CFR 303.42.
