Order 93-2-2

UNITED STATES OF AMERICA
DEPARTMENT OF TRANSPORTATION
OFFICE OF THE SECRETARY
WASHINGTON, D.C.

SERVED FEB 5 1993

Action on IATA Agreements
Issued by the Department of Transportation
on the 2nd day-of February, 1993

Dockets: 48481, R-1 through R-24 1/

Description: The agreement in Docket 48481 revalidates and amends existing fares and fare conditions between points in Mexico and Europe, and adds new APEX fares between Mexico and the United Kingdom and between Mexico and Switzerland, to reflect carrier needs and market conditions. In general, fare increases of four percent westbound and five per cent eastbound are proposed, with exceptions by market and class. Intended effective date of the agreement is April 1, 1993.

We do not find that the resolutions incorporated in the above dockets are adverse to the public interest or in violation of the Act, provided that approval is subject, where applicable, to conditions previously imposed.

Accordingly, we approve and grant antitrust immunity to the agreements, subject, where applicable, to conditions previously imposed.

This order shall be effective and become the action of the Department of Transportation upon the expiration of ten days, unless within such period a petition for review is filed pursuant to 14 CFR 385.50 or the Department gives notice that it will review this order on its own motion. Such actions are subject to judicial review under 49 USC app. 1486.

Given the noncontroversial nature of these agreements and the availability of the above procedure, we are waiving the 21-day period prescribed by 14 CFR 303.42.
