Selected flights of the Operating Carriers on the foregoing routes shall be Codeshared Flights. The parties may add additional Codeshared Flights, or discontinue Codeshared Flights, as agreed from time to time, without formally amending this Agreement. The parties' agreement to effect such changes shall be evidenced by both the Marketing Carrier and Operating Carrier publishing such changes in the Airline Guides or CRS's. The Operating Carrier reserves the right to discontinue any specific route, flight, or schedule, and in the event of such discontinuation, the Marketing Carrier shall cooperate by publishing the resulting changes in the Airline Guides and CRS's.
