

Codeshare Services

The gateways and cargo codeshare points for this Agreement shall be Los Angeles, California; New York, New York; Chicago, Illinois; Atlanta, Georgia; and Honolulu, Hawaii (the "Gateways").

2. Placement of NZ Code on services operated by TW:

2.1 Subject to government approval, the implementation of the proposed schedule, and the development of necessary requirements, NZ will designate the following points on the TW system as NZ cargo codeshare points for shipment of cargo to/from NZ points worldwide via the Gateways:

New York, New York	Chicago, Illinois
Washington, D.C.	Orlando, Florida
Dallas-Ft. Worth, Texas	Miami, Florida
Los Angeles, California	Denver, Colorado
St. Louis, Missouri	Boston, Massachusetts
San Francisco, California	Atlanta, Georgia

2.2 Subject to government approval and TW's consent, from time-to-time NZ may designate additional cargo codeshare points on services operated, or proposed to be operated by TW.

3. Placement of TW Code on services operated by NZ:

3.1 Subject to government approval and the implementation of the proposed schedule, TW will designate the following points on NZ's route system as TW cargo codeshare points for shipment of cargo to/from TW points worldwide via the Gateways:

Auckland, New Zealand	Melbourne, Australia
Brisbane, Australia	Sydney, Australia
Christchurch, New Zealand	Frankfurt, Germany
	London, England

3.2 Subject to government approval and NZ's consent, from time-to-time TW may designate additional cargo codeshare points on services operated, or proposed to be operated by NZ.
