

Approved<sup>\*</sup> under assigned authority  
on September 15, 1998

  
Director, Office of International  
Aviation

\* The authority granted is subject to the following conditions:

- (a) The statement of authorization will remain in effect only as long as (i) United and Air Canada continue to hold the necessary underlying authority to operate the code-share services at issue, and (ii) the code-share agreement providing for the code-share operations remains in effect.
- (b) United and/or Air Canada must promptly<sup>1</sup> notify the Department (Office of International Aviation) if the code-share agreement providing for the code-share operations is no longer effective or the carriers decide to cease operating any or all of the approved code-share services.
- (c) The code-sharing operations authorized under this authority must comply with 14 CFR 399.88 of the Department's regulations and any amendments to the Department's regulations concerning code-share arrangements that may be adopted and are expressly conditioned upon the requirements that the subject foreign air transportation be sold in the name of the carrier holding out such service in computer reservation systems and elsewhere; that the carrier selling such transportation (*i.e.* the carrier shown on the ticket) accept all obligations established in its contract of carriage with the passenger, and that the passenger liability of the operating carrier be unaffected.
- (d) The authority is subject to the conditions of Order 97-9-21.
- (e) We may amend, modify, or revoke the authority granted at any time without hearing at our discretion.

The filing of a petition for review shall not preclude the effectiveness of this action.
