Re: AECA: Oral Exemption granted by Bob Goldner,  
Office of Assistant Secretary for Aviation  
and International Affairs regarding  
Authority to fly AECA Intermediate Point on  
12/16/98 approx. 2:00 a.m. (MIA/SNK/GYE)

Dear Mr. Brown,

As you know, I represent AECA (AEROSERVICIOS ECUATORIANOS,  
C.A.). Tonight I was contacted by AECA with respect to an  
emergency request made by Royal Caribbean Cruise Lines for shipment  
on the AECA flight (MIA/GYE) tonight (this morning 2:00 a.m.) of a  
pump to a cruise ship stranded near St. Martin.

The request to the DOT was for an intermediate point stop with  
respect to its MIA/GYE flight. Unable to reach you at your office  
(5:30 p.m.), I contacted the FAA 24 hour number and the individual  
they contacted was Bob Goldner. Mr. Goldner granted AECA an oral  
exemption to fly to St. Martin, based upon the information I  
provided over the telephone.

Please advise, at your earliest convenience, what  
documentation AECA needs to provide you in order to document this  
oral exemption. I will shortly be submitting the

Very truly yours,  
MARTINEZ MOLINA, P.A.
