Docket No. OST-97-2198
400 7th Street, SW
Washington, D.C. 20590

Dear Sir,

I am writing in response to the DOT's proposed rulemaking that will require Part 135 operators to collect, store and retrieve personal information on passengers.

This proposed ruling violates the privacy of the individuals who are our customers. Confidentiality and anonymity are two important reasons that our customers choose to fly with us. This trust and security is earned and requiring the proposed information will jeopardize this relationship.

Sincerely,

Kim Bracher
Manager
