In the conduct of charter operations authorized above, the holder may, without prior Department approval, carry charter traffic between the United States and a third country point, provided that such charter traffic is carried on a flight that serves the Federal Republic of Germany for purposes of carrying traffic between the United States and the Federal Republic of Germany.

However, clause (4) of this paragraph shall not apply if prior to such termination or expiration, the foreign air transportation authorized herein becomes the subject of another treaty, convention or agreement to which the United States and the Federal Republic of Germany become parties.
