**APPLICATION OF AEROTRANSPORTES MAS DE CARGA, S.A. de C.V.
FOR AN EXEMPTION**

AEROTRANSPORTES MAS DE CARGA, S.A. de C.V. ("MAS de CARGA") by and through its undersigned counsel, and pursuant to 49 U.S.C. Section 40109 hereby submits its application for renewal of its exemption authorizing it to perform scheduled foreign air transportation of property and mail between Cancun, Mexico, and Miami, Florida; Mexico City, including Toluca, Mexico, and Los Angeles, California; Guadalajara, Mexico and Los Angeles, California; Guadalajara, Mexico and Miami, Florida; Mexico City, including Toluca, Mexico, and New York, New York; Merida, Mexico and Miami, Florida; and Merida, Mexico and New York, New York as authorized under Docket OST 96-1249. The last exemption granted under this Docket will expire on May 29, 1999. In support of this application, MAS de Carga states as follows:

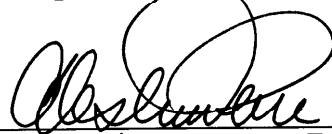

1. MAS de Carga is a flag carrier of Mexico and continues to be authorized and designated by the Government of Mexico to perform scheduled all-cargo service in the routes requested.

2. MAS de Carga has continued its pattern of successful operations between the requested routes without accident or incident. In addition, MAS de Carga believes that the operations planned by it are in the public interest.

3. This application raises no environmental or energy issues. MAS de Carga's operations are performed entirely with modern aircraft that meet all noise requirements applicable to operations at all the respective airports. Since MAS de Carga is seeking authorization for scheduled service in markets where it already operates, the incremental environmental impact of such authorization can be said to be de minimus.

WHEREFORE, Aerotransportes MAS de Carga, S.A. de C.V. respectfully requests that this renewal of exemption authority be granted for authority to provide scheduled air transportation of cargo as described herein and such further relief as the Department may deem appropriate.

Respectfully submitted,
