LaGuardia. Certifications regarding the other nineteen slots have already been filed with the Department.

Pursuant to Order 2000-4-11, the Department directed all qualified air carriers seeking slots at LaGuardia under § 41716 to certify that their proposed operations met all of the requirements of that section and to verify that certification as required by 14 C.F.R. § 302.4(b). By the terms of the FAA Notice, applicants were subsequently directed to re-certify to the DOT the use to which AIR-21 lottery slots are to be put.

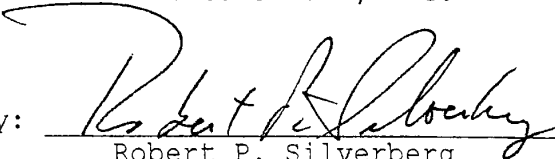

Accordingly, attached hereto as Exhibit A is the Certification of Atlantic Coast Jet, as executed by Michael S. Davis, Atlantic Coast Jet's Chief Operating Officer, certifying that Atlantic Coast Jet meets all applicable statutory requirements and containing the verification required by 14 C.F.R. § 302.4(b).
