EXHIBIT A

CHANGES IN OPERATIONS

1. KEY PERSONNEL. Aero Empresa Mexicana recently hired Jose Luis Olguin Coronel as the company's Chief of Maintenance. Ing. Olguin, who holds a degree in aeronautical engineering, has eight years of aviation maintenance experience. From 1994 to 2000, Ing. Olguin served as Manager of the Engineering Department of T.A.E.S.A. For the past two years, Ing. Olguin served as Manager of Maintenance Control and as a maintenance supervisor for Servicios Aereos Estrella. Ing. Olguin is a Mexican citizen and resides in Toluca, Mexico. His complete residential address is available on request.

2. INSURANCE. Aero Empresa Mexicana changed its insurance carrier for its Learjet 24F aircraft to Seguros Comercial America and maintains coverage that exceeds the combined single limit of liability requirement of 14 CFR Part 205. Seguros Comercial America will prepare the Foreign Air Carriers Certificate of Insurance (OST Form 6411) for submission to the Federal Aviation Administration.
