

**DATA OF  
DAYSTAR AIRWAYS, LTD.  
IN SUPPORT OF ROUTE  
CHANGES TO ROUTE 786**

In reference to data request of Fitness Division, the following data are provided:

1. Financial results reconstructed from data files of Daystar are attached as “daystar financial.xls” It shows that Daystar has a substantial working capital surplus.
2. The current operations consist of one Beechcraft 1900 with nine installed passenger seats and two Britten-Norman Islanders with nine installed passenger seats. All operations are under FAR 135. The Beechcraft service operates between San Juan, PR and St. Kitts and Nevis. The Britten-Norman aircraft operate between St. Kitts and Nevis, and are used for charter service. There has been no change in the operational plan of Daystar, and it has adequate aircraft, personnel and funding to operate the proposed service.
3. The biography of Mr. Facundo has been provided. Attached are the biographies of Edgardo Cobian, Chief Pilot, and Giovanni Scuotto, Chief Inspector.
4. There have been no changes of ownership in Daystar.
