**SUPPLEMENT NO. 1 TO
APPLICATION OF TURKISH AIRLINES
FOR FOREIGN AIR CARRIER PERMIT**

At the request of the Department Staff, Turkish Airlines submits this Supplement No. 1 to the Application for Foreign Air Carrier Permit, which Turkish Airlines filed on April 29, 1997. The Staff requested that Turkish Airlines provide more recent financial information than that contained in the Application, if such was available. The Staff also requested additional information concerning an accident on a domestic Turkish Airlines flight on December 29, 1994, which is referred to in Exhibit THY-303 of the Application. With regard to the latter, the Staff inquired, in particular, whether a Turkish Government investigation of that accident had been conducted and, if so, whether any violations of Turkish aviation regulations had been found.

The enclosed exhibits THY-303 Supp.1 and THY-400 Supp. 1

provide the information requested by the Staff.

Respectfully submitted,
