Telephone: 973 893 6387

Mr. McDermott has two undergraduate degrees, an AB in political science and physics, and a bachelors degree in electrical engineering. He has two masters degrees, one in management science and one in engineering. Mr. McDermott received his undergraduate degrees from Iona College and Fairleigh Dickerson, received his graduate degrees from Stevens Institute of Technology and New York University, and is presently working on his doctorate degree from New York University in management and finance.

Mr. McDermott has been working in the securities industry since 1971. Five of those years he worked for the New York Stock Market. Mr. McDermott has worked with many firms, many of whom no longer exist.

Designated by Underwriter Hobbs Melville Securities Corp, (Hobbs Melville) Mr. McDermott will take his place on Baltia Air Lines, Inc. (Baltia) Board of Directors at the closing of the IPO underwritten by Hobbs Melville. Mr. McDermott will simultaneously take his position as an independent on the Baltia Board Audit Committee.

Mr. McDermott owns no shares of Baltia stock and has had no affiliation with Baltia prior to commencing this Offering, SB2-333-37409.
