RE: Carrier Proposals for Moab, Utah and Ely Nevada

Number of pages including cover sheet: 1

Dear Mr. DeVany,

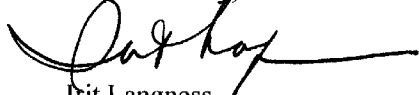

This is to notify you of Scenic Airlines interest in providing essential air services to the communities of Moab, Utah and Ely Nevada.

We would greatly appreciate your consideration to extend the filing deadline for an additional two weeks. This would allow us the time necessary to complete our proposal.

We believe we are in an excellent position to provide the communities and the Department of Transportation with a cost-effective proposal as well as providing alternative hubs to the Ely community.

Thanking you in advance for your consideration.

Most sincerely,

Irit Langness
Regional Manager
