Dear Dennis:

Enclosed is the Scenic proposal for Ely, Nevada service using the Beech 1900C.
We plan to operate the service under a code share agreement with Delta Airlines.

Most of the direct costs are the same as we recently agreed to in the Page order. We
adjusted the indirect expenses downward wherever we could, attempting to marginally
cost the Ely service.

We would propose a service start date of May 1, 1998.

Please call us if there are any questions.

Sincerely,

Eric Christensen
Vice President Planning
