

**CODESHARE SERVICES**

Placement of AA Code on services operated by OZ:

Subject to government approval, the implementation of the proposed schedule, and the development of necessary requirements, AA will designate flights on the following routes operated by OZ in both directions as AA Mail Codeshare flights for shipment of mail:

Between Chicago, Los Angeles, New York City, San Francisco and Seattle on the one hand and Seoul on the other hand, in both directions.

Subject to government approval and OZ's consent, from time-to-time AA may designate additional mail codeshare points on services operated, or proposed to be operated by OZ.
