Selected flights of the Operating Carrier(s) on the foregoing routes shall be Codeshare Flights. While the Parties shall use commercially reasonable efforts to meet the implementation dates indicated above, these are target dates subject to change in light of regulatory approvals and operational constraints. In the event that no Codeshare Flight has commenced on any of the city-pair routes listed above within 270 days from the date all Governmental Approvals are received, the Parties shall meet and confer to determine whether a reasonable schedule for implementing the Codeshare Flights on all routes can be agreed upon, and failing agreement on a revised implementation schedule, either Party may terminate this Agreement upon no less than 30 days' prior written notice.
