**Re: Notice of Expiration of Foreign Air Carrier Permits  
(Dockets OST-1995-266 and OST-1995-268)**

We represent Jazz Air Inc. d/b/a Air Canada Jazz, which is the successor foreign air carrier resulting from a series of consolidations among several regional Canadian carriers. Some of these former carriers held foreign air carrier permits under 49 U.S.C. § 41301. In particular, the Department issued foreign air carrier permits, in Order 98-5-11 (Dockets OST-1995-266 and OST-1995-268), to Air Alliance Inc., Air Nova Inc., AirBC Limited, and Air Ontario. We are writing to notify the Department that these permits have expired as a result of the liquidation of the holders and that the carriers have no plans to resume service to the U.S.

Please feel free to contact us with any questions.
