

AMERICAN'S DFW-OSAKA SERVICE PROVIDES THE GREATEST BENEFIT OF THE MOU CARRIERS' OSAKA SERVICE PROPOSALS

<u>Carrier</u>	<u>Proposed Service</u>	<u>Comments</u>
AA	DFW-KIX	<ul style="list-style-type: none"> • Only KIX proposal which accesses a major hub • Opens new geographic area for KIX service
CO	HNL-KIX	<ul style="list-style-type: none"> • Duplicates existing NW, UA services • Vulnerable to Japanese flag competition
DL	PDX-KIX	<ul style="list-style-type: none"> • 3 of 5 existing KIX mainland gateways are on West Coast • PDX is a weak 'hub'; little beyond market benefits
