Re: ATA Airlines, Inc.
Emergency Subservice Charter Flight

Date

2/22/05

Dear Mr. McGuire:

* This action does not insulate the applicant from further investigation and possible enforcement action.

This will confirm my telephone conversation today wherein your office orally granted ATA Airlines, Inc. ("ATA") a waiver of the Department's Public Charter Rules (14 C.F.R. Part 380) to allow to operate the flights listed on the attached itinerary. Waiver number W-05-___ was assigned to this request.

The emergency charter ATA has been asked to perform is on behalf of Aer Lingus as a result of maintenance problems with their aircraft. A B757-200 aircraft (197 passengers) will be utilized by ATA according to the May 4, 1987, letter from the Federal Aviation Administration establishing conditions applicable to the conduct of charter flights.

Enclosed is our check in the amount of \$39.00 to cover the waiver fee. Thank you for your assistance in this matter.
