

UNITED STATES OF AMERICA  
DEPARTMENT OF TRANSPORTATION  
OFFICE OF THE SECRETARY  
WASHINGTON, D.C.

SERVED JAN 31 1996

Action on IATA Agreement  
Issued by the Department of Transportation  
on the 25th day of January, 1996

Docket: OST-95-894 1/

**Description:** The agreement adopts mileages over several non-stop sectors in Africa operated by non-IATA carriers for inclusion in the IATA Mileage Manual. In the absence of service by IATA carriers, mileages for sectors flown by non-IATA carriers may be used to generate shortest operated and maximum permitted mileages in order to limit constructions resulting in inflated mileages.

We do not find the resolution incorporated in the agreement in the above docket to be adverse to the public interest or in violation of 49 U.S.C. 41309, provided that approval is subject, where applicable, to conditions previously imposed.

Accordingly, we approve and grant antitrust immunity to the agreement, subject, where applicable, to conditions previously imposed.

This order shall be effective and become the action of the Department of Transportation upon the expiration of ten days, unless within such period a petition for review is filed pursuant to 14 CFR 385.50 or the Department gives notice that it will review this order on its own motion. Such actions are subject to judicial review under 49 U.S.C. 46110.

Given the noncontroversial nature of this agreement and the availability of the above procedure, we are waiving the 21-day period prescribed by 14 CFR 303.42.
