

Order 96-2-26

UNITED STATES OF AMERICA  
DEPARTMENT OF TRANSPORTATION  
OFFICE OF THE SECRETARY  
WASHINGTON, D.C.

SERVED February 22, 1996

Action on IATA Agreement  
Issued by the Department of Transportation  
on the 15th day of February, 1996

Docket: OST-95-763, R-1 through R-24 1 - 4

Description: The agreement establishes a new fare structure between points in Europe and South East Asia. Fare increases range from two to six percent. In addition, new special excursion fares are added from France, Iceland, the Netherlands and the United Kingdom to South East Asia.

We do not find the resolutions incorporated in the above docket to be adverse to the public interest or in violation of 49 U.S.C. 41309, provided that approval is subject, where applicable, to conditions previously imposed.

Accordingly, we approve and grant antitrust immunity to the agreement, subject, where applicable, to conditions previously imposed.

This order shall be effective and become the action of the Department of Transportation upon the expiration of ten days, unless within such period a petition for review is filed pursuant to 14 CFR 385.50, or the Department gives notice that it will review this order on its own motion. Such actions are subject to judicial review under 49 U.S.C. 46110.

Given the noncontroversial nature of this agreement and the availability of the above procedure, we are waiving the 21-day period prescribed in 14 CFR 303.42.
