Re: Titan Airways Limited 03/13/08

Dear Mr. Wellington:

Director, Office of International Aviation

Titan Airways Limited, a United Kingdom carrier, hereby requests issuance of a statement of authorization to the extent necessary to enable it to operate two Shannon (SNM) – New York (JFK) – Shannon (SNM) emergency subservice operations on behalf of Aer Lingus. Because these flights are scheduled to operate this Friday through Sunday, March 14-16, Titan is requesting DOT approval by close of business today if at all possible.

Aer Lingus requested Titan to operate this flight a short time ago because Aer Lingus is unexpectedly unable to operate this service with its own aircraft. Titan intends to operate this service with B-757 aircraft.

Thank you in advance for your cooperation.

Respectfully submitted,

Don H. Hainbach
Counsel for Titan Airways Limited
