Re: Joint Application of XL Airways UK and Iberworld Airlines, SA

Dear Mr. Wellington:

By application dated April 16, 2008 Iberworld Airlines, SA ("Iberworld") requested a Statement of Authorization to the extent necessary to enable it to operate up to five (5) weekly round-trip wet-lease flights using A-330 equipment for XL Airways UK Limited ("XL") between Manchester, UK (MAN) / Glasgow, UK (GLA)-Orlando (Sanford), Florida (SFB)-Manchester, UK (MAN) during the period May 1 to June 7, 2008, either non-stop or via Cardiff, UK (CWL). That application was granted April 18, 2008.

XL and Iberworld are now requesting additional authorization to the extent necessary to enable Iberworld to operate one additional one-way wet lease flight for XL using A-330 equipment from Rome (FCO) to Miami (MIA) on May 19, 2008.<sup>1</sup> More specifically, XL is requesting authorization pursuant to § 212.9(b)(1) of the Department's Regulations to enable it to provide service from Rome to Miami and Iberworld is requesting a statement of authorization pursuant to § 212.9(b)(1) to operate that service for XL. The flight for which these authorities are being requested will transport cruise passengers back to the United States.

Both XL and Iberworld hold exemption authority from the Department authorizing them to conduct, inter alia, passenger charters in accordance with 14 CFR Part 212 and the additional authorization requested here is consistent with the terms of the Air Transport Agreement between the United States and the European Community and Member States of the European Community.

Issue Date 05/01/08

Approved under assigned authority

Authority expires 05/21/08

The filing of a petition for review shall not preclude the continuance of this action.

<sup>1</sup> The flight will make a technical stop at Manchester (MAN).
