DISPOSITION

Action: Approved.

Action date: May 15, 1997

Effective date of authority granted: May 15, 1997, through May 15, 1998

Basis for approval: United States-Mexico Air Transport Services Agreement of August 15, 1960, as amended and extended (Agreement).

Except to the extent exempted/waived, this authority is subject to the terms, conditions, and limitations of Appendix A.

Special conditions/Partial grant/Denial basis/Remarks: We find that the carrier is operationally and financially qualified to conduct the operations it proposes and that it is substantially owned and effectively controlled by citizens of Mexico. In the conduct of these operations, the carrier must adhere to all applicable provisions of the U.S.-Mexico Agreement. In the conduct of these operations, the carrier may only use aircraft capable of carrying no more than 60 passengers and having a maximum payload capacity of no more than 18,000 pounds (small equipment). The above grant includes authority to operate Third and Fourth Freedom charter operations. While we have subjected Mexican carriers conducting charters with large aircraft to prior approval of their Third and Fourth Freedom charters, consistent with the provisions of the Agreement, (see Order 92-2-7 at 5), we determined that a Third/Fourth Freedom prior approval requirement was not necessary on public interest grounds in the case of this carrier, since it will be conducting these operations solely with small aircraft. (Other charter operations to/from the United States under this authority, however, are subject to prior approval under 14 CFR Part 212.) Further, we are continuing to allow Mexican carriers conducting passenger charters using small equipment to make stopovers in the United States in the conduct of such operations.

Action taken by: Paul L. Gretch, Director, Office of International Aviation, under assigned authority (14 CFR 385). (Petitions for review may be filed from now until 10 days after the service date of the confirming order/letter. Filing of a petition shall not stay the effectiveness of this action.)
