Re: Essential Air Service at Crescent City, California
Docket No. OST-97-2649 (40825) - 3

Ladies and Gentlemen:

At their regular meeting of July 22, 1997, the Del Norte County Board of Supervisors reviewed your Order Tentatively Reselecting Carrier, Establishing Subsidy Rates and Requesting Carrier Proposals issued on June 25, 1997.

The Board of Supervisors has no objection to issuance of the order; however, request is hereby made that clarification be provided as to the actual rate to be charged for flights from Crescent City to Sacramento. As noted in my letter of July 16, 1997, Appendix B of the order indicates a fare of \$68 for a trip from Crescent City to Sacramento. I also informed you that during the week of July 14, 1997, the quoted fare was \$189 one-way to Sacramento, and we actually paid \$419 for a round-trip ticket to Sacramento. Is there any way we can assure that we do not pay more than \$68 for a one-way ticket and \$136 for a round-trip ticket?

Thank you for your attention to this request.

Very truly yours,
Kathleen L. Burgess
