Dear Mr. Sinick:

This refers to the renewal of authority applications filed on behalf of Florida West International Airways (FWIA) in Dockets OST-97-2646 and 2648. The information in these proceedings remains under review at this time. However, our review thus far has revealed some areas, as set out in the enclosed Information Request, where additional and/or clarifying information is needed. We ask that FWIA file the requested information in the above noted dockets within 21 days of the date of this letter. In the meantime, should we need additional information from FWIA as a result of our continued review, we will let you know as soon as possible.

Thank you for your cooperation in this matter. As usual, if any of the information provided thus far changes while FWIA's application is on file, the carrier should advise us of such changes promptly.
