DISPOSITION

XX **Granted** (subject to conditions, see below)

The above action was effective when taken: March 19, 1999, through March 19, 2001

Action taken by: **Paul L. Gretch, Director**
Office of International Aviation

XX The authority granted is consistent with the aviation agreement between the United States and the Federal Republic of Germany and the overall state of aviation relations between the United States and Namibia.

Except to the extent exempted or waived, this authority is subject to the terms, conditions, and limitations indicated: **XX** **Holder's Certificate of Public Convenience and Necessity**

XX **Standard Exemptions Conditions (attached)**

XX **Statement of Authorization for United/Lufthansa code-share operations dated April 9, 1998, and conditions therein (Order 98-4-8)**

On the basis of data officially noticeable under Rule 24(n) of the Department's regulations, we found the applicant qualified to provide the services authorized.

Under authority assigned by the Department in its regulations, 14 CFR Part 385, we found that (1) immediate action was required and was consistent with Department policy; (2) grant of the exemption authority was consistent with the public interest; and (3) grant of the authority would not constitute a "major federal action" under the Energy, Policy and Conservation Act of 1975. To the extent not granted, we denied all requests in the referenced Docket. We may amend, modify, or revoke the authority granted in this Notice at any time without hearing at our discretion.

Persons entitled to petition the Department for review of the action set forth in this Notice under the Department's regulations, 14 CFR §385.30, may file their petitions within ten (10) days after the date of issuance of this Notice. This action was effective when taken, and the filing of a petition for review will not alter such effectiveness.
