Dear Sirs,

Re: ABACO AIR LIMITED: DOCKET 96-1387 (FORMERLY DOCKET 46309)  
APPLICATION FOR EXTENSION OF EXEMPTION UNDER SECTION 416(b)

ABACO AIR LIMITED hereby applies for an Extension of our Exemption under Section 416 (b) which Authority was granted 7<sup>th</sup> January, 1998 to 7<sup>th</sup> January, 1999.

In making this application, ABACO AIR LTD. evokes the provision of 5 U.S.C. Section 558 © as implemented by 14CFR 377.10.

We have enclosed completed OST 6411 Forms evidencing the continuance of the required insurance coverage.

We have also enclosed a copy of our current Air Charter Permit issued by the Bahamas Department of Civil Aviation with effect February 8 1998 for a period of two years.

As we inadvertently have allowed our Authority to lapse we most urgently request an extension period of four weeks while awaiting the expiration of the two week answer period.

We trust you will find all to be in order and look forward to receiving your response to both the Application for Extension and to the request for the interim four week extension.

Sincerely,

Denise D. Kelly  
Director of Operations
