determination^{2/} that U.S. and foreign all-cargo carriers are subject to the Rule even though that contradicts a statement contained in the Final Rule in this proceeding which stated that "We have also added the qualifier 'passenger-carrying' to make clear that this rule does not apply to cargo or ferry flights."

This is, therefore, to confirm that Evergreen International Airlines and Southern Air Transport will manifest all persons other than crew members and will solicit the name and telephone number of a contact for each U.S. citizen boarded for each flight segment operated to or from the United States. Attached as Exhibit 1 is the list of contact names for those two airlines.

Respectfully submitted,

Edward J. Driscoll
President and
Chief Executive
