CERTIFICATION

Pursuant to Title 18 United States Code, I, David F. Hackett, Chief Executive Officer of Shuttle America Corporation, in my individual capacity and as the authorized representative of the pleader, have not in any manner knowingly and willfully falsified, concealed, or failed to disclose any material fact or made any false, fictitious, or fraudulent statement or knowingly used any documents which contain such statements in connection with the preparation, filing or prosecution of the Application of Shuttle America Corporation filed in Docket OST-2000-7172 on April 3, 2000. I understand that an individual who is found to have violated the provisions of 18 U.S.C section 1001 shall be fined or imprisoned not more than five years, or both.

I further certify, in accordance with 14 CFR 302.4(c), that Shuttle America Corporation meets each and every one of the statutory criteria required for carriers to qualify for the grant of slot exemptions at LaGuardia Airport in order to provide service with aircraft with less than 71 seats between a nonhub or small hub as defined by 49 U.S.C. section 41714(h)(7) and 41714(h)(8). I further certify that the communities and airports to be served and the aircraft to be used to provide the service are contained in the Application filed in Docket OST-2000-7172 and that the aircraft are stage 3 compliant. I also certify that the proposed service represents new service and the number of slot exemptions and the times needed to provide the service are included in the Application. Finally, the start-up date for the services proposed in our Application in Docket OST-2000-7172 is August 1, 2000.

David F. Hackett
