

INTERNATIONAL CODE-SHARE COMPLIANCE STATEMENT

1. United Airlines conducted a safety review of Thai Airways on June 19-23, 2000.
2. The review was conducted in accordance with United Airlines Safety Review Plan for Star Alliance and Code Share Airlines as reviewed and accepted by the Department of Transportation on August 19, 2000.
3. According to the information obtained during the review, the operations of Thai Airways appear to meet all applicable ICAO standards.
4. The Safety Review Report is available for the FAA to review.

Edmond L. Soliday
Vice President - Corporate Safety,
Quality Assurance and Security
United Airlines
