Dear Mr. DeVany:

In reply to your letter of June 25, 2001 regarding the essential air service program, the City of Harrison would definitely like to continue the subsidized service to Dallas/Ft. Worth. We would also like to continue with the St. Louis subsidized service but concur that the improvement in the service to Dallas/Ft. Worth would be of more value to our community than the service to St. Louis has proven to be.

The Harrison community seems to prefer and does not wish to jeopardize any funding or service to Dallas/Ft. Worth even if it means the discontinuance of subsidy to the St. Louis service.

If I can be of further service, please don't hesitate to contact this office.

Sincerely,

Robert A. Reynolds,
Mayor
