Subject: Request for extension to submit comments re: EAS proposals for Watertown, Massena, and Ogdensburg

Mr. DeVany,

Per discussions during our conference call of this afternoon, the representatives from the communities of Massena, Ogdensburg, and Watertown would like to request an extension of the deadline to submit comments to your office regarding the proposals by Mesa Airlines and CommutAir to provide air service to these communities under the EAS program. Your letter to Mayor Joseph Butler, of Watertown, dated November 18, 2002 requests comments by December 4. The communities are requesting an extension until December 20, 2002.

The additional time is requested to allow the communities to draft their respective resolutions in support of one of the proposals. Two of the communities, Ogdensburg and Massena, have board meetings scheduled for December 3 and December 18, respectively, and resolutions must be passed by the boards.

Thank you for your attention to this matter.
