Terms, Conditions, and Limitations

WINAIR, INC.

is authorized to engage in interstate charter air transportation of persons, property, and mail between any point in any State, territory, or possession of the United States or the District of Columbia, and any other point in any of those entities.

This authority is subject to the following provisions:

- (1) The holder shall at all times conduct its operations in accordance with the regulations prescribed by the Department of Transportation for the services authorized by this certificate, and with such other reasonable terms, conditions, and limitations as the Department of Transportation may prescribe in the public interest.*
- (2) The holder's authority under this certificate is effective only to the extent that such operations are also authorized by the Federal Aviation Administration.*
- (3) The holder shall at all times remain a "Citizen of the United States" as required by 49 U.S.C. 40102(a)(15).*
- (4) The holder shall maintain in effect liability insurance coverage as required under 14 CFR Part 205. Failure to maintain such insurance coverage will render a certificate ineffective, and this or other failure to comply with the provisions of Subtitle VII of Title 49 of the United States Code or the Department's regulations shall be sufficient grounds to revoke this certificate.*
- (5) The holder is not authorized to engage in air transportation between points within the State of Alaska.*

** This certificate is being reissued to reflect its effective date.*

(6) *Should the holder propose any substantial changes in its ownership, management, or operations (as that term is defined in 14 CFR 204.2(n)), it must first comply with the requirements of 14 CFR 204.5.*

(7) *In the event that the holder commences but subsequently ceases all operations for which it was found "fit, willing, and able," its authority under this certificate shall be suspended under the terms of 14 CFR 204.7 and the holder may neither recommence nor advertise such operations unless its fitness to do so has been redetermined by the Department. Moreover, if the holder does not resume operations within one year of its cessation, its authority shall be revoked for dormancy.*
