 PORTERS

Colleen;

OK, fine. At this late date, this email will serve as granting your request. We will print it and put it in the docket, and we are cc'ing the other applicants,

Dennis DeVany June 10, 2003

Subject: Extension to File Proposal for Scottsbluff

Dennis,

Please accept the following as a formal request for a two-day extension to file Air Midwest's proposal for service to Scottsbluff, NE.

Several of our senior managers are out of the office today and are unable to coordinate the filing by phone. Additionally, we would like to have an opportunity to review the Great Lakes announcement.

Thank you in advance for your assistance.

Sincerely,

Colleen O'Day
