**SUPPLEMENT NO. 2
TO APPLICATION OF
BOSTON-MAINE AIRWAYS CORP.**

Boston-Maine Airways Corp., d/b/a Pan Am Clipper Connection ("BMAC") hereby submits this Supplement No. 2 to its April 18, 2003 application for issuance of a new Certificate of Public Convenience and Necessity authorizing BMAC to engage in foreign scheduled air transportation operations utilizing large aircraft.

The sole purpose of this Supplement No. 2 is to furnish certain additional information in response to the request of the Department's Fitness Division as set forth in a letter to counsel for BMAC dated July 29, 2003.

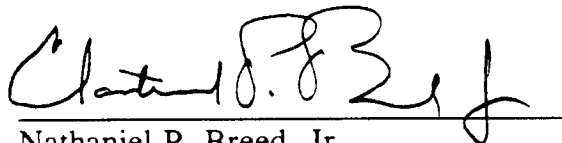

- 2 -

Concurrently herewith, BMAC is filing a Supplement No. 8 to its application for interstate large aircraft authority in Docket OST-00-7668. That filing contains BMAC's responses to each of the requests for information contained in the July 29th letter from the Fitness Division, together with information pertaining to two recently-hired operations management personnel. The information requested, and the fitness review at issue, are identically applicable to both BMAC's interstate and foreign large aircraft applications.

In that circumstance, BMAC hereby adopts and incorporates by reference the entirety of its Supplement No. 8 filing in Docket OST-00-7668 as its Supplement No. 2 to its application for foreign authority in this proceeding.

WHEREFORE, BMAC requests the Department to issue a new Certificate of Public Convenience and Necessity authorizing BMAC to provide foreign air transportation of persons, property and mail, utilizing both small and large aircraft, as requested in this application.

Respectfully submitted,

Nathaniel P. Breed, Jr.
