Pursuant to condition (c) of the Department’s Notice of Action Taken dated July 11, 2003 in this docket, Northwest Airlines, Inc. and KLM Royal Dutch Airlines hereby notify the Department that Northwest plans to display its “NW” designator code on flights operated by KLM in the following market: Amsterdam-Tbilisi, Georgia. KLM is scheduled to commence thrice weekly Amsterdam-Tbilisi flights effective June 15, 2004 and Northwest intends to codeshare on these flights as soon as necessary government approvals have been secured. Northwest has today filed an application with the Department seeking an exemption to operate scheduled foreign air transportation in the U.S.-Tbilisi market via codesharing on KLM flights between Amsterdam and Tbilisi. Northwest’s code will be displayed only for purposes of connecting foreign air transportation.
