Dear Mr. DeVany:

In the matter of EAS Service Proposals for the Augusta, Bar Harbor and Rockland, Maine, and Presque Isle, Maine, 294727 and 294728 I respectfully ask that the community comment period be extended from September 15th to September 30th. This request is necessary in order to meet the schedules for the various governing boards that should respond to the proposals.

Robert A. Cossette
