Dear Mr. Tompkins:

By letter to the Department, dated October 21, 2004, Air China International Corporation, a foreign air carrier of the People's Republic of China, requests under Part 215 of our regulations to change its name from "Air China International Corporation" to "Air China Limited."

Pursuant to Part 215 of our rules, we compared the proposed name with our list of names used by existing certificated, commuter, and foreign air carriers and with those applicants seeking new authority. We have completed our review and determined that no similarly named carrier(s) need be served.

This letter acknowledges the applicant's change of name to "Air China Limited," and registration of that name, under 14 CFR Part 215 and shall constitute the notice thereof under section 215.6 of our regulations. (The applicant will continue to do business as "Air China.")

Sincerely,

A handwritten signature in black ink, appearing to read "Paul L. Gretch".
