Dear Mr. DeVany:

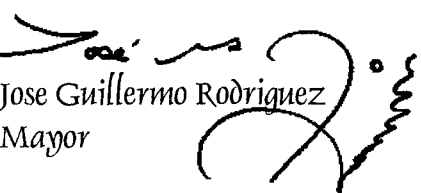

This letter is written in behalf of the business community and all the citizens of the City of Mayaguez, with the purpose of recommending the approval of Cape Air as provider of the air service between Mayaguez and San Juan. This essential service is partially provided by American Airlines who announced recently that as of next March they will discontinue the service.

We recommend Cape Air because we know of the excellent air service they provide and the responsibility with their customers they have exhibited.

This service is of utmost importance for all the people of the municipality of Mayaguez and I may add to the people of all twelve municipalities of the western part of Puerto Rico.

Thank you for your consideration to this letter.

Sincerely,

  
Jose Guillermo Rodriguez  
Mayor
