Dear Chief DeVany:

As a strong supporter of the economic and tourist development of Puerto Rico's "West Coast", also known as "Puerta del Sol", I am very concerned that with the exit of American Eagle from the SJU – MAZ route, economic development will be negatively impacted.

I understand that Cape Air, which has provided award – winning service out of SJU for several years is willing to operate that EAS SJU-MAZ and SJU-PSE routes.

I urge you to authorize this new entry in these EAS routes in order to guaranteed uninterrupted service.

Sincerely,

Kenneth D. McClintock
