Dear Mr. De Vany:

As President of three college campuses in the areas of DuBois, Oil City, and Huntingdon, I believe that it is imperative based on our rural area that we have access to convenient transportation.

Several times throughout the year we have agency officials visit our campuses. In addition, we have faculty and staff that we send to seminars, and it is vital that we have airport transportation.

We are very grateful and thankful for the Venango Regional Airport in Franklin, PA.

Sincerely,

Jackie Syktich  
President/CEO
