Served: June 9, 2005

Essential Air Service at

**VISALIA, CALIFORNIA**

under 49 U.S.C. 41731 *et seq.*

**DOCKET OST-2004-19916**

**ORDER EXTENDING SERVICE OBLIGATION**

**Summary**

By this order, the Department of Transportation extends the service obligation of SkyWest Airlines, Inc. (SkyWest), at Visalia, California, for an additional 30 days, through July 15, 2005.

**Background**

On December 15, 2004, SkyWest filed a 90-day notice of its intent to suspend its unsubsidized service at Visalia, effective March 15, 2005. By Order 2004-12-23, December 30, 2004, the Department prohibited SkyWest from suspending service and requested proposals, with subsidy if necessary, from carriers interested in providing replacement service. As required by 49 U.S.C. 41734, we have extended SkyWest's service obligation for additional 30-day periods, the latest through June 15, 2005, by Order 2005-5-7.

By Order 2005-4-25, the Department selected Scenic Airlines to provide essential air service at Visalia for a three-year period. However, the carrier transition process will not be completed by the end of the current hold-in period. Therefore, in accordance with 49 U.S.C. 41734(c), we will extend SkyWest's service obligation at Visalia for an additional 30 days, or until Scenic's service actually begins, whichever occurs first.

This order is issued under authority assigned in 14 CFR 385.12(k)(5).

**ACCORDINGLY,**

1. We require SkyWest Airlines, Inc., to maintain essential air service at Visalia, California, consisting of two daily Visalia-Fresno-Los Angeles round trips for an additional 30-day period through July 15, 2005, or until suitable replacement service actually begins, whichever occurs first;<sup>1</sup>
2. We direct SkyWest to retain all books, records, and other source and summary documentation to support subsidy claims for payment, and to preserve and maintain such documentation in a manner that readily permits its audit and examination by representatives of the Department. Such documentation shall be retained for seven years or until the Department indicates that the records may be destroyed, whichever comes first. Copies of flight logs for aircraft sold or disposed of must be retained. The carrier may forfeit its compensation for any claim that is not supported under the terms of this order;
3. Docket OST-2004-19916, will remain open until further order of the Department; and
4. We will serve a copy of this order on the Mayor and Airport Manager of Visalia, the California Department of Transportation and SkyWest Airlines.

Persons entitled to petition the Department for review of this order under the Department's Regulations, 14 CFR 385.50, must file such petitions within ten (10) days after the date of service of this order.

This order will be effective immediately, and the filing of a petition for review shall not preclude its effectiveness.
