Re: Streamlining Regulatory Procedures; Docket OST-2005-22228

Dear Mr. Bhatia:

Pursuant to the Department's Notice of August 23, 2005, Northwest Airlines, Inc. hereby requests that it be included in the proposed route integration certificate, and that the broadest possible authority be granted to the fullest extent permitted by applicable bilateral agreements. Northwest further requests that this authority not be limited to integration of current certificate and exemption authority, but that it also extend to future awards of certificate and exemption authority.

Respectfully submitted,

Ronald P. Brower
