Re: Streamlining Regulatory procedures for Licensing U.S. and Foreign Air
Carriers; Docket OST-2005-22228 -28

Dear Mr. Bhatia:

Arrow Air, Inc. d/b/a Arrow Cargo ("Arrow") hereby responds to the Notice served August 26, 2005 in the above docket and states that it desires to be awarded authority under the blanket route integration certificate that the Department contemplates issuing in this proceeding.¹

Arrow concurs in the recommendations of other carriers that the integration authority should be of indefinite duration and that it should also apply to future grants of certificate and exemption authority.

Respectfully submitted,

Lawrence D. Wasko
Attorney for Arrow Air, Inc.
