ANSWER OF  
EXPRESSJET AIRLINES, INC.

Frontier<sup>1</sup> has asked the Department to extend the due dates in this proceeding to require supplements and amendments to applications January 20, answers January 27 and replies February 3, and Delta has suggested that the same procedural dates apply to all proceedings instituted by Order 2005-12-18.

ExpressJet takes no position on the Frontier or Delta requests other than to urge the Department to allow five to seven days for answers to the supplemented and amended applications. The two days originally allotted for answers to the amended and supplemented applications, which may well change significantly from the original applications submitted by the parties, was too short a period and may

have deprived the parties of their rights to due process, although ExpressJet remains prepared to comply with the original procedural dates.

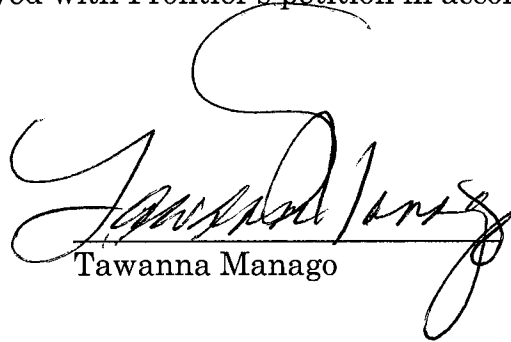

Respectfully submitted,

R. Bruce Keiner, Jr.  
Counsel for  
ExpressJet Airlines, Inc.

CERTIFICATE OF SERVICE

I certify that I have this date served a copy of the foregoing document upon counsel for Frontier and the persons served with Frontier's petition in accordance with the Department's Rules of Practice.
